## ACTnow's Note

Happy New Year !! Welcome 2021 !!

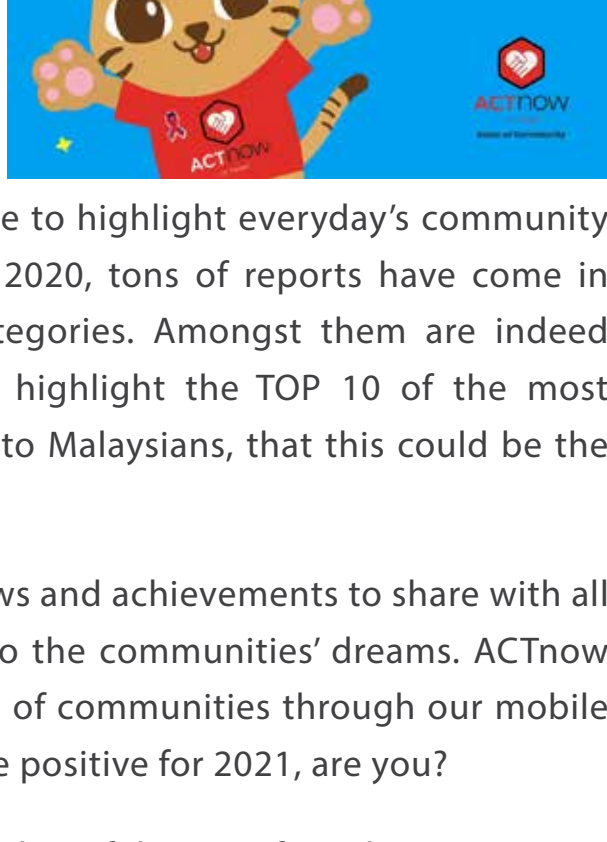

ACTnow welcome all of you, ACTnow Troopers to celebrate a brighter new year with us . ACTnow will kickstart the year with the first inaugural community e-newsletter edition, where it will highlight a few recent issues as well as some exciting news for your weekly reading pleasure on every Tuesday.

Last year, it was an unexpected roller coaster ride for many around the world, and most of the time the country was placed under Movement Control Order (MCO) and Conditional Movement Control Order (CMCO). However, ACTnow believes 2021 is a brand new start to a journey of many wonderful opportunities.

Actnow is a social enterprise dedicated to building a better community by connecting the people and the local authorities as a bridge to highlight everyday's community issues. Despite the norm of staying home in 2020, tons of reports have come in throughout the year , with a total of 52 categories. Amongst them are indeed heartbreaking, hence ACTnow would like to highlight the TOP 10 of the most shocking issues being reported as a reminder to Malaysians, that this could be the end of it and not the tip of the iceberg.

Apart from that, ACTnow has a few exciting news and achievements to share with all our readers as we are again, one step closer to the communities' dreams. ACTnow hopes that Malaysians continue to be the eyes of communities through our mobile application to build a better community. We are positive for 2021, are you?

Let's work together to build a better world. Stay hopeful, stay safe and Actnow !
