## ACTnow's Note

ACTBEAN, where BEAN stands for Business Enterprise Around Neighbourhood, is committed to local neighbourhood stores and SMEs that are location dependent. The team of ACTBEAN is made up of passionate and driven individuals, who are also part of the people behind ACTnow (Malaysia's First Community Mobile App), with a growing online network.

The current economic downturn triggered by the pandemic is expected to leave lasting scars on everyone, with most of them feeling a financial strain right now and are worried about the future. ACTBEAN is doing what it can to help local economies, communities and neighbourhoods. Ultimately, it's going to be an initiative that offers a low-cost way to advertise and raise awareness of businesses.

ACTBEAN offers digital marketing, article write-up and video production support through consultations, endorsements, partnerships, offers, and an editorial team that can help with content development and distribution to create brand-building and business opportunities.

ACTBEAN's support goes out to business owners of start-ups, sundry shops, hardware stores, consumer electronic stores, mini markets, convenience shops (i.e. drugstore, shoe repair, laundry, and dry cleanery), personal grooming salons (hair, manicure, beauty, and skincare), supply shops (i.e. stationery, art and craft, packaging materials, and fabrics), book stores, digital printing shops, automotive repair and bike shops, toy shops, jewelry stores, bakeries, restaurants, food courts, and coffee shops.

The way we shop has changed forever and so does the way businesses are run, with an increase in online shopping but there has also been an increased sense of community and a strong need to support traditional businesses. If you are a part of the ACTBEAN, you'll find that it provides immense value to entrepreneurs and small businesses!

We are officially launching in **March 2021**, with the giveaways of free digital marketing and video production services to 3 lucky winners.
