

## ACTnow's Note

Rukun Tetangga Community Leadership Empowerment Plan 2021 has been initiated under the recently launched National Unity Policy and National Blueprint 2021-2030. This is to further empower the 8,274 Kawasan Rukun Tetangga (KRT) nationwide, with a membership of 248,220 people, which has been the backbones of carrying out unity programmes by the government in the neighbourhood.

Announced by PM Muhyiddin during the virtual launch, on the 28 Feb 2021, of the Rukun Tetangga Community Leadership Empowerment Plan 2021 and Rukun Tetangga Perdana Awards Ceremony on Sunday, there are 4 main KRT Working Agendas involved under this initiatives which are Safe KRT, Healthy KRT, Clean and Beautiful KRT and Prosperous KRT.

**Safe KRT** - Will be carried out via the Voluntary Patrol Schemes with the cooperation of the Royal Malaysian Police Force.

**Healthy KRT** - will stress on a healthy lifestyle in collaboration with the Health Ministry through programmes under the National Malaysia Healthy Agenda (Agenda Nasional Malaysia Sihat).

**The Clean and Beautiful KRT** - will focus on cleaning and beautifying zones with the assistance from the Housing and Local Government Ministry under the Local Agenda 21 Programme.

**The Prosperous KRT** - will identify the marginalised groups such as single mothers, differently-abled groups, senior citizens and low-income groups so that help can be given through initiatives such as Rukun Tetangga economic projects and Love Community Programme.

Above agendas have always been ACTnow's mission and vision ever since the official launch in 2019. We have constantly urged and encouraged the people to report any community issues through the mobile application to ensure their voices are heard in pursuit of the safety, health and cleanliness of the neighbourhood. Recently, ACTBean Media, too, has been initiated solely for the purpose of community businesses enrichments through digitalisation which many either could not afford or without the know-how. The initiative of ACTBean is ACTnow playing its part in one of the agendas, The Prosperous KRT.

With the launch of these initiatives, ACTnow will be able to play a part along with 8,274 KRTs in realising these objectives for the betterment of neighbourhoods.
