## ACTnow's Note

Mat Rempit footages - Source : The Star

APRIL 24, KUALA LUMPUR - During the operation of Ops Samseng Jalanan by Kuala Lumpur Traffic and Investigation Department (JSPT KL), conducted on Akleh Highway in Ampang from 1AM to 4.30AM, five Mat Rempit were arrested after being caught performing dangerous acts on the road. All of the suspects are under the age of 18 and two of them were just 15-year-old.

Official age to obtain a motorbike license is 16-year-old, which means some or maybe all of the suspects were driving without license and definitely do not own the motorcycles. Parents at home should not allow their teen children to ride their motorcycles to prevent these dangerous acts from happening. It is lucky when they return home safely, however if any accidents were bound to happen, then parents will lose their children forever.

On the side note, a giant tree fell during a heavy downpour in the morning in Perak Road, Georgetown. The condition of the car is heavily damaged after the accident where the tree fell diagonally on the car, killing the 53-year-old driver. Investigation is ongoing as Batu Lanchang assemblyman Ong Ah Teong said that the tree was planted just three years ago during a road widening project. It was questionable how the tree could have uprooted.

There were many reports made through ACTnow in regards to almost-falling trees in Klang Valley. Many may see this issue as insignificant, however this is the result ACTnow do not want to end up with as the report above, a life had been taken away where prevention could have been done.
