

ACTnow
...or never!
Voice of Community

ACTnow's Note

Why are you so rude as a president?

ACTnow managed to contact En Zainuddin Zainal, the President of Perstuan Penduduk Taman Puncak Jalil upon receiving a ticket regarding leaking dirty pipe. However, he was extremely annoyed that ACTnow was interfering with their responsibilities and responded rudely to our call.

ACTnow explained that this is a representation of the community to lodge a report and follow u. According to him, the report has been done and ACTnow does not have to interfere with any reports that are related to JMB as it is under their supervision.

ACTnow is here to help the community and most likely without following up, the report will take ages to be escalated. It is time to step up the game and be more efficient Malaysian !

I am in love with a married man. One day, I found out that he is a married man. I was gutted. I can't believe that the past 2 years was a lie. I was so mad with him, and myself for believing everything that he told me all these years. I was ready to leave him, but I just couldn't. Then...

I just got married last year to a man 10 years older than me. During a social gathering, he celebrated the booming business with a group of his buddies. In addition, there are other friends joining. When my husband was in the toilet, the man suddenly shouted, "Aren't you the famous girl escort in that famous club?"

Earlier this year I was laid off because my company could not afford to pay the salaries. I am depressed now and the situation at home became more tense when my parents complained a lot and put the blame on me. What should I do?

ACTnow for Better Community, Better Malaysia.

ACTnow is a social enterprise dedicated to building a better community by connecting the people and the local authorities as a bridge to highlight everyday's community issues. It covers 52 categories of community issues spread across 155 local councils throughout Malaysia in a single **free-for-use** application. ACTnow is the official holder of The Malaysia Book of Record – "First Community Engagement Mobile Application" since November 17, 2020. The sole purpose of ACTnow is to encourage and build a better community. Be the voice of community, do not act later, ACTnow !
