SEA Park, Petaling Jaya walkabout !

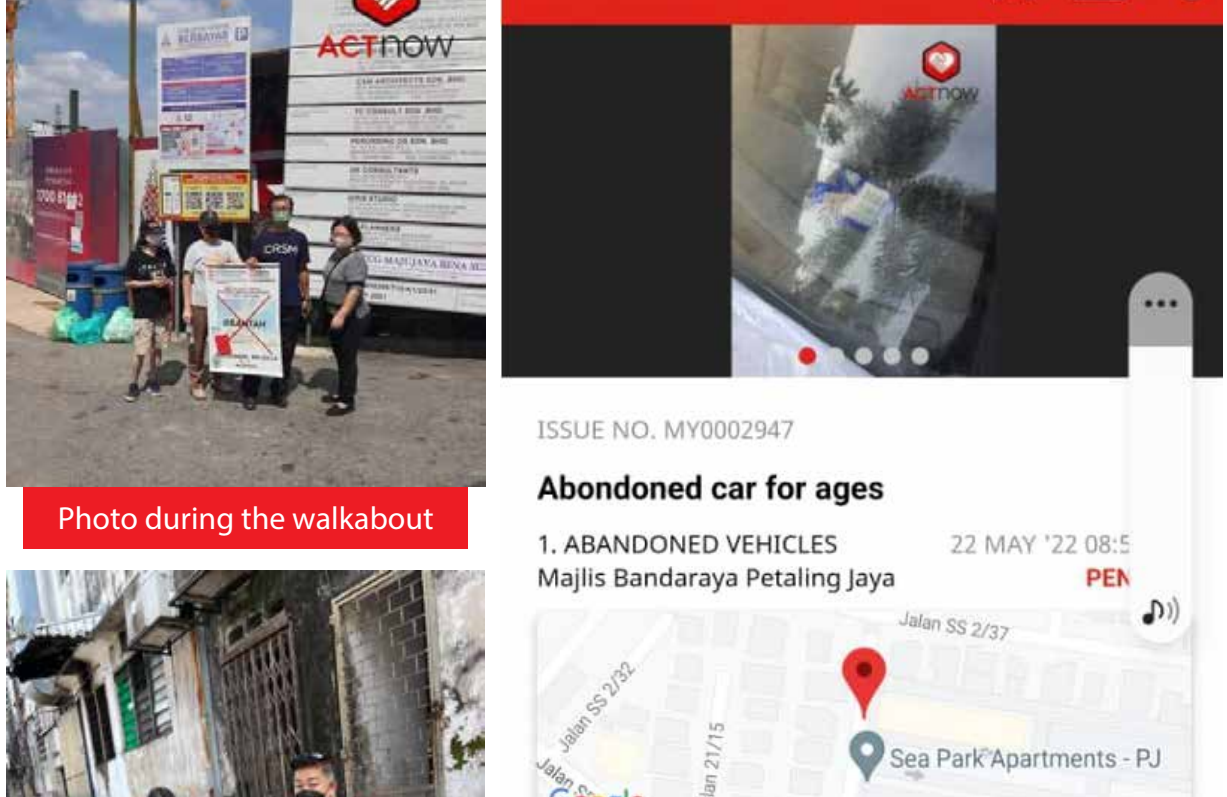

On Sunday, 22nd May 2022, ACTnow conducted a walkabout in SEA Park, Petaling Jaya from 9AM to 12PM led by Mr.Ch'ng Soo Chau, Chief of CRSM Selangor. This activity was joined by a few residents of SEA Park Apartment. The team managed to highlight more than 40 tickets through ACTnow Community Mobile Application in 2 hours.

"First is cleanliness, and then the drains that are terribly clogged. MBPJ needs to be more proactive in taking care of the community rather than for us to inform when any issue happens" - Ms Yee, SEA Park Apartment Resident

Through this walkabout, ACTnow understood that the residents are being bullied and harassed few years back as they are being blocked from accessing the road. This is a bully tactic that the Local Council should address.

"ACTnow Community Mobile App is very useful because the Local Council will not be notified of any community issues in the area. Now we are able to highlight these issues to them to take action" - Ms Elvira, SEA Park Apartment Resident

The purpose of this walkabout is to highlight community issues that require the attention of the Local Councils as well as educating the public on the usage of ACTnow. With this effort, ACTnow hopes to see more initiatives from the public in highlighting issues that the Local Councils may have missed out. Hence, the community will work hand-in-hand to improve the environment and standard of living of that particular area.
